

Dear A-Team Applicant:

Thank you for your interest in serving as a volunteer A-Team member at one of the 2008 Youth to Youth International Summer Conferences. We are very excited about offering this opportunity to alumni of the program!

The A-Team position was created for those dedicated, hard working, enthusiastic alumni who are too young to serve as adult staff and too old to serve as youth staff. The role of an A-Team member is to assist with programming and logistics for the entire conference, i.e. assisting with security, coordinating or leading activities, running errands, packing, and loading at the end of conference, etc.

As an A-Team member, you may not have much exposure or interaction with conference participants. You will be doing much of the behind-the-scenes work. This is a tough position because you will be asked to work long hours. The A-Team is under the supervision of designated Youth to Youth Administrative Staff.

To be eligible to serve as an A-Team member, you must meet the following criteria by June 15th.

- ✎ Have completed your 1st year in college or be at least 19 years old.
- ✎ Must be available at least three (3) days before a conference.
- ✎ Attended/staffed a Youth to Youth conference.

If you are an eligible candidate for the A-team, complete the following forms. If you are uncertain if you will have the dates available but are interested in this position, please fill out and return the forms anyway, as soon as possible. Mark on the form that you would like to be contacted prior to selection to confirm that you are available on those dates. The forms must be returned by April 30th 2008!

Unfortunately, only a limited number of A-team positions are available at each conference. While your application is being reviewed, we encourage you to pursue funding so that you are still able to attend the conference as an adult participant. Additionally, we ask that you lend your assistance in recruiting other teens and adults in your community in order to give them the opportunity for the best leadership/drug prevention training in 2008. Return forms to the address on the back of the application.

Again, thank you for your interest!

Sincerely,

The Youth to Youth International Staff
